*Our mission is to provide relief for the poor, the distressed or the underprivileged in our special needs community...*

### Camp Scholarships Top 2010 Highlights

Thanks to the continued support of our sponsors and our new donors, *Shaken Baby Prevention, Inc.*, was able to provide numerous camp scholarships during the final quarter of 2009 and the first two quarters of 2010. We are so thankful we have been able to help so many given the cuts for autistic children and teens in Maryland and the present state of the economy. With your support, our public service announcement, **Shaking a Baby Shatters Lives**, will launch soon on buses in numerous cities in the US. The PSA boosts visits to [www.sbsprevention.com](http://www.sbsprevention.com) and the billboard was visible in Manassas for 4 months. Other highlights to date:

- **Therapeutic riding scholarships** given to special needs children and teens in Virginia.
- **Winter break camp scholarships** provided to boys from Virginia and Maryland in December 2009.
- **Ten 2010 one-week summer Camp scholarships** to special needs boys and girls from VA and MD.

## Community Activist makes a difference in Manassas

The founder and Executive Director of *Shaken Baby Prevention* is Catherine Sanders. *Shaken Baby Prevention, Inc.* is a very special 501(c) (3), established in honor of Sanders' son, Ryan, a shaken baby victim and survivor ([www.sbsprevention.com](http://www.sbsprevention.com)). "Raising a child with special needs has shown me how difficult it can be to ensure your child has everything needed for a full life," Sanders says. She is a member of the Shaken Baby Council, a national organization for SBS prevention and stricter sentencing for offenders. Sanders founded the national billboard campaign, Shaking A Baby Shatters Lives. "Cathy Sanders has been a champion, and she's had an everyday reminder of what can happen to someone you love." (*Washington Post*, 12/28/00)
